About Me

I am a software engineer with a background in accounting and computer hardware. I have recently completed a comprehensive course, honing my skills in JavaScript, Ruby, React, and Ruby on Rails. In addition to this, I am currently pursuing an AWS Cloud Practitioner course to further expand my expertise in cloud computing. I am known for consistently delivering high-quality work and exceeding expectations.

Coding Skills

- React JS
- Javascript
- Ruby on Rails
- Next JS
- HTML & CSS
- Python
